# THE 11TH ANNUAL MISSOULA MONSTER PROJECT

Dear Community Partner,

This fall, the Zootown Arts Community Center (ZACC) is thrilled to celebrate the **11th Annual Missoula Monster Project**—that’s 11 years of monster magic created in kindergarten classrooms across Missoula!

**This beloved collaboration between Missoula’s youngest artists and local adults is more than a fun art project**—it’s a celebration of imagination and a powerful investment in arts education. MCPS Kindergarten students create original monster drawings, and adult artists bring them to life in their own style. The results are playful, delightful and inspiring.

This year, the Monster Project has a very big goal: We’re raising funds to support art programs in both Missoula County Public Schools and ZACC classrooms, helping ensure that all Missoula children have access to quality arts education. The reimagined adult monster artworks will be sold to benefit this cause directly.

**The exhibit opens with a joyful public First Friday celebration in October**—complete with live music, monster cake, and a gallery filled with roller-skating, pizza-eating, one-eyed wonders imagined by kindergartners and reimagined by local artists. **In 2024, the opening event drew over 300 attendees—kindergartners, families, friends, and art lovers—coming together to celebrate creativity and community.** With your help, we can grow our impact to serve more families through art and music programs in 2025.

**You’re invited to sponsor the one-of-a-kind Missoula Monster Project and show your commitment to creativity, community, and education in Missoula County.** Please don’t hesitate to reach out with questions or to confirm your sponsorship.

***Thank you for helping make Missoula a more creative, connected place!***

## **INCREASE YOUR IMPACT: GIVE LOCAL!**
