## Thankful for Friends of the ZACC

This November, the ZACC proudly showcases the talents of emerging and established artists in our galleries and provides another exciting and diverse lineup in The Show Room! We welcome you to check out something new here this November.

**We are so thankful for the artists, families, students, staff and friends who have come together to help make the ZACC what it is: a place where creativity and community thrive.** Your generosity and kindness make these arts experiences possible – for everyone. We truly hope you will join us this month to listen to a new local band, take a holiday art class with friends, or delight in the new works showing in the ZACC galleries.
